

# Citi Mobile App DIY Tips

First time CitiBusiness mobile users can create ID and Password only on the Citibank website as per the steps below:

## Process for Debit Card Holders

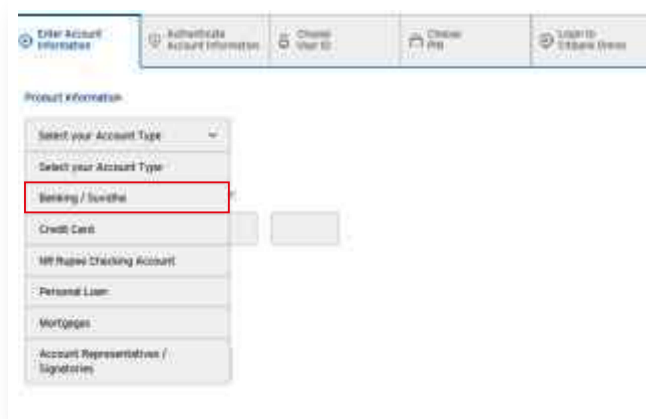

1

Visit citibank.co.in > Click on 'First Time User?'

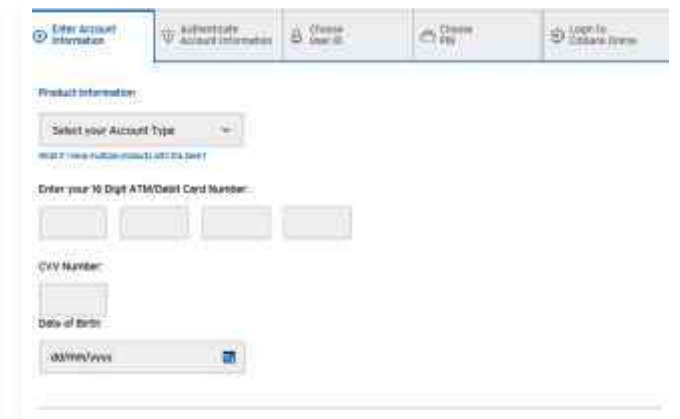

2

Select 'Banking/Suvidha' as account type

3

Enter your 16-digit debit card number, CVV, DOB (Date of incorporation of the firm) & OTP > Click on Proceed

CitiBusiness customers can use the same login credentials on the Citi Mobile App.

Stay safe and bank smart.
