

CORPORATE INVESTMENT DECLARATION FORM

IMPORTANT - PLEASE READ CAREFULLY BEFORE COMPLETING THIS DECLARATION FORM OF RISK APPETITE

The series of questions below help inform Citibank of the risk appetite of the Partnerships/ Non-Profit Organizations (only societies)/ Private Limited Companies/ Public limited Companies (the "Investor") prior to the Investor's selection of and investment in appropriate investment / treasury product(s).

Based on the information you (the authorized representative of the Investor) provide hereunder, Citibank will assist the Investor in identifying the products that meet the Investor's risk appetite. It is thus very important that accurate and complete information in relation to the Investor is provided, as it will affect the appropriateness of our product offering(s). You hereby acknowledge and agree for and on behalf of the Investor that if inaccurate and / or incomplete information is provided, and / or certain information is not disclosed, such action will adversely affect the appropriateness of our product offering(s), for which Citibank shall take no responsibility.

Please note that this Declaration Form will be "valid" for a period of 24 months starting from the date stated on the Declaration Form. If the 24 months period is lapsed, the Investor will be required to complete a new Declaration Form prior to the execution of a new transaction. In the event there is a change in the Investor's risk appetite (within the 24 months period), please inform Citibank accordingly.

Citibank N.A is an AMFI registered Mutual Fund Distributor

FINANCIAL INFORMATION

1. What is your total liquid net worth?

Liquid net worth or shareholder's equity is your total assets minus your total liabilities. Please do not include real estate or the value of this or other businesses you own. _____ INR

Note: Only investments in INR will be considered for investments in this account.

INVESTOR RATING

The following questions are designed to help us evaluate your risk appetite in taking investment/portfolio risks in your investment services account. Tick the appropriate answer to each question.

RISK ATTITUDE

1. Which of the following statements best describes your investment objectives for the account(s) in this relationship?

<input type="checkbox"/> Capital Preservation - A preference for preservation / relative safety of invested capital with returns in line with short-term money market rates.	Upto IR1
<input type="checkbox"/> Defensive - A preference for preservation of capital and the generation of regular income slightly above short-term money market rates.	Upto IR2
<input type="checkbox"/> Income Oriented - A preference for investments primarily intended to generate income rather than achieve appreciation of capital.	Upto IR2
<input type="checkbox"/> Income & Growth - A preference for investments or investment strategies that aim to provide a balance of income and capital appreciation.	Upto IR3
<input type="checkbox"/> Growth Oriented - A preference for investments or investment strategies that typically aim to provide mostly capital appreciation with less emphasis on regular income returns.	Upto IR4
<input type="checkbox"/> High Growth - A preference for investments or investment strategies that seek exclusively to provide aggressive capital appreciation over time.	Upto IR4
<input type="checkbox"/> Market Speculation - A preference for investments or trading strategies that seek exclusively to provide aggressive capital appreciation through exploiting short-term pricing anomalies among financial assets.	Upto IR6

2. Which of the following statements best describes the amount of risk fluctuation you will tolerate in the value of your investments?

<input type="checkbox"/> Safety Oriented - Investors who hope to experience minimal fluctuations in portfolio value over a rolling one year period and are generally only willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) at a price close to the recently observed market value.	Upto IR1
<input type="checkbox"/> Conservative - Investors who hope to experience no more than small portfolio losses over a rolling one-year period and are generally only willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) although the investor may at times buy individual investments that entail greater risk.	Upto IR2
<input type="checkbox"/> Moderate - Investors who hope to experience no more than moderate portfolio losses over a rolling one year period in attempting to enhance longer-term performance and are generally willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) in stable markets although the investor may at times buy individual investments that entail greater risk and are less liquid.	Upto IR3
<input type="checkbox"/> Aggressive - Investors who are prepared to accept greater portfolio losses over a rolling one year period while attempting to enhance longer-term performance and are willing to buy investments or enter into contracts that may be difficult to sell or close within a short time-frame or have an uncertain realizable value at any given time.	Upto IR4
<input type="checkbox"/> Very Aggressive - Investors who are prepared to accept large portfolio losses up to the value of their entire portfolio over a one year period and are generally willing to buy investments or enter into contracts that may be difficult to sell or close for an extended period or have an uncertain realizable value at any given time.	Upto IR5
<input type="checkbox"/> Most Aggressive - Investors who are prepared to put their entire portfolio at risk over a one year period, and may even be required to provide additional capital to make up for portfolio losses beyond the amount initially invested, are generally willing to buy investments or enter into contracts that may be difficult to sell or close for an extended period or have an uncertain realizable value at any given time.	Upto IR6

RISK CAPACITY

3. How long would you consider investing to achieve your investment objective as selected in question 1?

a. <input type="checkbox"/> Upto 3 years	Upto IR4
b. <input type="checkbox"/> Upto 7 years	Upto IR5
c. <input type="checkbox"/> Upto 10 years	Upto IR6
d. <input type="checkbox"/> Upto 15 years	Upto IR6
e. <input type="checkbox"/> Upto 30 years	Upto IR6

The investor rating definition section is to be filled in by the Bank official

INVESTOR RATING DEFINITION

Based on the information that you have provided above your current investment profile has been evaluated as : _____

- IR1 Investors who hope to experience minimal fluctuations in portfolio value over a rolling one year period and are generally only willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) at a price close to the recently observed market value.
- IR2 Investors who hope to experience no more than small portfolio losses over a rolling one-year period and are generally only willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) although the investor may at times buy individual investments that entail greater risk.
- IR3 Investors who hope to experience no more than moderate portfolio losses over a rolling one year period in attempting to enhance longer-term performance and are generally willing to buy investments that are priced frequently and have a high certainty of being able to sell quickly (less than a week) in stable markets although the investor may at times buy individual investments that entail greater risk and are less liquid.
- IR4 Investors who are prepared to accept greater portfolio losses over a rolling one year period while attempting to enhance longer-term performance and are willing to buy investments or enter into contracts that may be difficult to sell or close within a short time-frame or have an uncertain realizable value at any given time.
- IR5 Investors who are prepared to accept large portfolio losses up to the value of their entire portfolio over a one year period and are generally willing to buy investments or enter into contracts that may be difficult to sell or close for an extended period or have an uncertain realizable value at any given time.
- IR6 Investors who are prepared to put their entire portfolio at risk over a one year period, and may even be required to provide additional capital to make up for portfolio losses beyond the amount initially invested, are generally willing to buy investments or enter into contracts that may be difficult to sell or close for an extended period or have an uncertain realizable value at any given time.
